

## **Rays of Hope Newsletter**

**April 10, 2024**

### **What is Rays of Hope Ministry?**

Rays of Hope ministry (ROH) exists to help others hear clear Bible answers to the questions and issues we all face. We believe everyone should be treated without partiality and with compassion regardless of their background, whether it is religious, ethnic, or even criminal. Jesus died for all, and all deserve to have the gospel presented to them in a clear unaltered way.

### **What does ROH do?**

Our executive director Sam Burkholder travels over 2000 miles and spends countless hours in discussions and counseling to help those facing issues in their marriages, depression, family problems, dealing with grief and loss, stress, anger management and drug and alcohol addiction, and other areas. We want people to better understand who Christ is and what it means to be a follower of His.

Our activities also include a prison ministry in Moberly, MO and many visits to people who don't want to be exposed to the public but want either counseling or serious discussions. We also offer Bible studies for both groups and individuals.

Thanks to the gracious giving of churches and individuals, all of our services are offered free of charge.
